

Declaration of Conformity – Packaging Materials (Regulation (EU) 2025/40 – Annex VIII)

1. Supplier information

Company name: **MCM S.p.A.**

Registered address: **Via Castello 70, 24060 Adrara S. Martino (BG) - IT**

Contact person / department: **Paolo De Matola; paolo.dematola@mcm-sealing.com; Mng Repres**

2. Packaging identification

Description of packaging / components supplied: **carton box, plastic bags, Low-density polyethylene film and all packaging materials**

Material(s): **carton, polyethylene (PE), LDPE**

Internal packaging product / article number(s): **carton box, bags**

3. Declaration

We hereby declare that the packaging materials listed above **comply with all applicable requirements of Regulation (EU) 2025/40 on Packaging and Packaging Waste (PPWR)**, as applicable at the time of placing the packaging on the EU market.

In particular, we confirm compliance with the following requirements, where applicable:

- **Article 5 – Substances in packaging**

The packaging does not exceed permitted concentration limits for restricted substances, including:

- Lead, cadmium, mercury and hexavalent chromium (≤ 100 mg/kg total), and
- PFAS in food-contact packaging, where relevant.

- **Art. 6 – Recyclability requirements (current applicable stage)**

The packaging is designed in accordance with PPWR recyclability principles applicable as of August 12, 2026.

- **Art. 11 – Reuseability (current applicable stage)**

The packaging is designed in accordance with PPWR recyclability principles applicable as of February 11, 2025.

- **Material composition accuracy**

All material information provided is complete and correct.

This declaration is made **without prejudice to additional requirements** under other applicable EU legislation, including but not limited to REACH Regulation (EC) No 1907/2006 and, where applicable, food contact materials legislation.

4. Technical documentation

We hereby confirm that all relevant **supporting technical documentation** (e.g. material specifications, test reports, supplier declarations, substance compliance data) has been provided to us by our suppliers.

5. Validity of declaration

This declaration:

- applies to the packaging specified above
- remains valid unless the packaging design, material composition, or applicable legal requirements change
- will be updated as necessary to reflect future PPWR obligations (e.g. recycled content or recyclability performance requirements).

6. Additional Notes

We further declare that this Declaration of Conformity has been prepared in reliance upon the information, technical documentation, and compliance declarations provided by our suppliers.
